Part II Housing Application

Students who want to live on campus must return this Enrollment and Housing form no later than May 1. Any forms received after this date will not be assigned campus housing. Priority is given based on the date we receive your form. As we receive Enrollment and Housing forms students are placed on a request for housing list.

Please check one of the boxes below, indication whether you want on-campus housing or not:

❒ I wish to apply for on-campus housing. I have read and agree to the terms in the Housing License Agreement http://abroadatau.american.edu/pdfs/Housing%20License%20Agreement%202009.pdf

You may rank your preferences for the housing options but assignments are made based on availability. **Adherence to your preferences cannot be guaranteed.** Depending on the housing demand students could potentially be placed in any of the housing options listed below. All university housing is non-smoking.

❒ Since most floors are coed, please check here if you are interested in an all-female floor.

_____ Main campus dorm room. Most students live in double rooms with one roommate. However, during periods of a high demand for space, it may be necessary to create additional housing by converting some double rooms into triple rooms. In this case, students receive the discounted triple rate for the room. Single rooms are not available to new incoming students.

_____ Tenley Campus room. It is less than two kilometers, about three long city blocks, from the main campus and a 15 minute walk. Two blocks in the opposite direction is the Tenley Metro stop on the subway red line. The university shuttle runs every 15-20 minutes, 7:00 a.m.-midnight, between the main campus, Tenley campus, and the metro. Most students live in triple rooms with two roommates.

_____ University managed housing room. At times the University may offer housing that is physically off-campus but managed by the Housing and Dining office. If this option is utilized students pay American University for their housing and adhere to all the same rules as campus housing.

❒ I wish to pursue my own off-campus housing. I understand this is my own responsibility to find and obtain an accommodation.
